[Docket No. CP99-590-000]

McDay Energy Partners, Ltd.; Notice of Petition for Declaratory Order

July 30, 1999.

Take notice that on July 22, 1999, McDay Energy Partners, Ltd. (McDay Energy), filed in Docket No. CP99-590-000 an application pursuant to Section 16 of the Natural Gas Act (NGA) and Rule 207(a)(2) of the Commission's Rules of Practice and Procedure (18 CFR 385.207 (a)(2)), for a declaratory order disclaiming Commission jurisdiction under Section 1(b) of the NGA over certain facilities to be acquired from Northern Natural Gas Company (Northern) in a companion filing in Docket No. CP99-552-000, all as more fully set forth in the application on file with the Commission and open to public inspection. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

Specifically, McDay Energy seeks a declaratory order from the Commission finding that the approximately 26 miles of 12-inch pipeline and appurtenant facilities located in Zavala and Dimmitt Counties, Texas, once acquired and integrated into McDay Energy's existing gathering lines, will perform a gathering function as defined under the Commission's modified primary function test, and therefore, should be

exempt from Commission jurisdiction under Section 1(b) of the NGA.

Any person desiring to be heard or to make any protest with reference to said petition should on or before August 20, 1999, file with the Federal Energy Regulatory Commission, Washington, 888 First Street, N.E., Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 384.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

[Docket No. CP99-589-000]

National Fuel Gas Supply Corporation; Notice of Application

July 30, 1999.

Take notice that on July 22, 1999, National Fuel Gas Supply Corporation (National Fuel), 10 Lafayette Square, Buffalo, New York 14203 filed, in Docket No. CP99-589-000, an application pursuant to Section 7(b) of the Natural Gas Act and Part 157 of the Commission's Regulations for an order permitting and approving the abandonment of certain facilities in Venango, Clarion, and Forest Counties, Pennsylvania, in connection with the sale of certain nonjurisdictional facilities to Van Hampton Gas & Oil Company, Inc. (Van Hampton), as more fully set forth in the application which is on file with the Commission and open to public inspection. The application may be viewed on the web at www.ferc.fed.us/online/rims.htm. Call (202) 208-2222 for assistance.

Specifically, National Fuel proposes to abandon by sale to Van Hampton approximately 31 miles of 2-inch to 8-inch diameter gathering pipelines, including five receipt points and seven points of delivery located along the gathering pipelines. National Fuel states that the gathering pipelines, receipt

points and points of delivery will perform a gathering function for Van Hampton and requests that the Commission determine that such facilities will not be subject to the Commission's jurisdiction after the sale.

National Fuel's application states that it has agreed to sell the nonjurisdictional gathering pipelines and metering facilities located at the receipt points, to Van Hampton for \$1.00. National Fuel indicates that service will not be terminated to any of its shippers.

Any questions regarding this application should be directed to David W. Reitz, Assistant General Counsel for National Fuel, 10 Lafayette Square, Buffalo, New York 14203 at (716) 857-7949, or George L. Weber, Esq., Weber & Associates, P.C., 727 Fifteenth Street, NW, Washington, DC 20005 at (202) 628-0200.

Any person desiring to be heard or to make any protest with reference to said application should on or before August 20, 1999, file with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 and 385.211) and the regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party in any proceeding herein must file a motion to intervene in accordance with the Commission's rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no protest or motion to intervene is filed within the time required herein. At that time, the Commission on its own review of the matter will determine whether granting permission and approval for the proposed abandonment is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be
